

Prior Learning: If children took part in LKS2, they continued to develop their teamwork, leadership and communication skills. They learned what the 8 compass points are and began to navigate with them. Children began to use co-ordinates to navigate around grids and sample maps. They also began to learn about orienteering, including using a key to represent objects.

Key Skills

Physical Me

Co-ordination

Jump, step, hop

Balance

Walk, run, jog

Value Me:

- Teamwork
- Leadership
- Responsibility

Social Me

- Co-operation
- Organisation
- Good listener
- Encouraging others
- Supporting others
- Collaborate
- Communicate

Thinking Me

- Problem solving

Key Knowledge

Orienteering: Children will use orienteering maps and keys to travel around. They will also plot their own courses on maps.

Check/control point: Is a marked waypoint used in orienteering. They are marked on the map.

Compass Points: Children will use a compass to navigate. They will identify that direction is needed to travel between two points

Co-ordinates: Children will learn how to use 6-figure grid references to locate points on an OS map. They will also use them to follow a route.

Six figure grid reference: Splits a grid square up into ten sections along the bottom and the side. Six figure grid references are more precise than a four figure grid reference.
